Attention 6th grade & up parents- Now that the good weather is coming, we would like to refresh parents of our policy re: youth activity *outside* Fidelity House. We would also like to remind you to please refresh yourself on the hours Fidelity House is actually open, ½ day policies and read the newsletter/ door signs about special times we will be closed. Because of special fundraising events or annual Spring building rentals, there are a lot of Friday night (and some Saturdays) that are affected. Being informed is one of the best ways to keep track of where your Jr. High child is during the week.

Fidelity House asks that kids do not stand out in front or on the side of Fidel and if they are not utilizing Fidelity House (just dropping off their bags or breezing thru spending their time elsewhere), they are asked to take their backpacks with them. Just a reminder- Fidelity House supervises programs *inside* Fidelity House and supervises/organizes the following outside activities *only*-Ultimate Frisbee and the Stickball league. In addition, we open up our outside parking lot- bball area from 4-5 p.m. on good weather days. **Some information we'd like to pass on to parents to think about** ...we do not encourage spending time up at the center ...if you do allow a trip uptown, we'd advise to be VERY SPECIFIC about HOW LONG you think they are at Fidelity House and how long they are "elsewhere". **NOTHING GOOD HAPPENS IN THE CENTER-** There are plenty of snacks to buy and things to do at Fidelity House...AND, please be advised that we do not be allow "high energy drinks" here. Please discuss with your son/daughter about what your expectations are regarding where he/she is when coming to Fidelity House and the activities they are participating in.

memorable quotes & notes "the blue bench isn't comfortable"....Congrats to Bball Marathon top sellers Angelique Privitera Kennelly and Sean Boyle who were able to go to the Celtics/Hawks match up
