**Open Recreation begins Tuesday, Oct. 1. Membership or a guest fee required.**

## Open Recreation Program Information – Grades 5 and up

A yearly non-refundable membership fee of \$75 is required of all members. This fee allows members grades 5 and up access to the building during open recreation hours to participate in daily games, tournaments, open gym, and special events. Membership fees are renewable one year from date of purchase.

Members are supervised while in the building. Open recreation has an open door policy, which means members may go in and out of the building as they please. Parents should limit how far their children can stray from the building. Children not mature enough to handle this responsibility should enroll in other programs with direct supervision such as our School Age Child Care Program.

**Are my children Safe?** There are staff members located in all program areas. All staff have background checks and CPR and First Aid Training.

**Can my child go outside?** While participating in Open Recreation programs and activities, members are supervised by staff and volunteers. However, there is an open door policy, which means that any member may enter or exit the building as they please during open hours. We rely on parents to set appropriate limits and grant permission to be at Fidelity House. It is imperative that you establish and enforce rules about whether your children may leave alone, or with other children. If your children are not allowed to leave alone or with others, please plan to come inside Fidelity House to pick up your children. The Open Recreation Program cannot be responsible for children prior to their arrival or if they voluntarily leave.
